Subject: RE: Assessment for Sulfalone

Thank you Dr. Kapuscinski. ATSDR has developed an interagency workgroup that is working on it as well. I was not sure if you had been in contact with them or how the PPRTV assessment might coincide with ATSDR's time wise. Lori Cohen and Sylvia Kawabatta were identified as contacts in EPA responsible for coordinating the interagency review of the ATSDR document.

Thank you.

I hoped to follow up with you on the status of the sulfolane assessment.
Thanks

Happy Holidays
